<http://www.wellfreight.in>

Well Freight was Established in 2014, International Logistics company, catering to services related to Freight Forwarding through its offices in India & strategic partners worldwide.

Well Freight is most innovative logistics company that reaches out to provide comprehensive logistics solution. The young and dynamic management team at Well Freight contributes greatly with their new thinking by adapting new technology, applying latest and modern methods in the field to help the needs of its valuable customers.

We at Well Freight are team of young dedicated and highly professional individuals who have years of proven track record in the field of shipping and Logistics and thrive tirelessly to uphold the export and import commitments of its clients. We value our client's commitments to their buyers as our commitment.

At Well Freight, Nothing is left for chance. We strongly believe in keeping our clients satisfied and live up to their expectation at all times.

Thank you very much for showing trust in us.

CMD, Well Freight

Our Vision

To remain the most customer friendly and preferred logistic service provider in the trade.

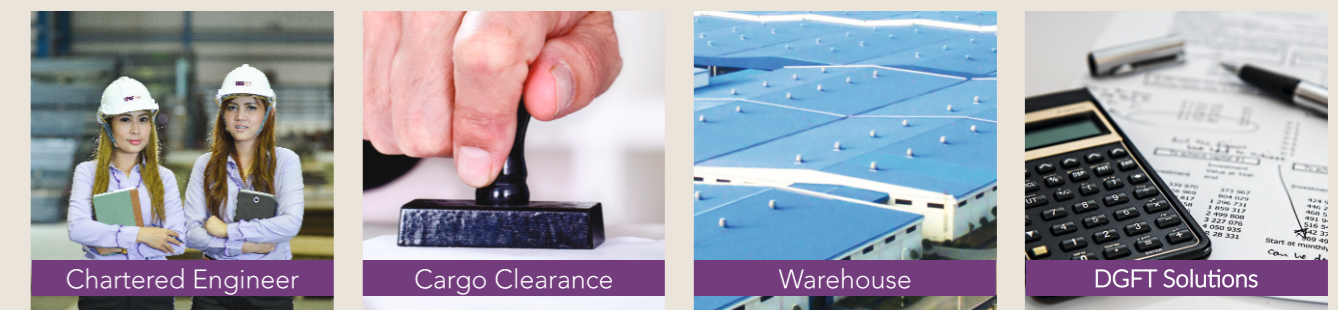

Our Mission

To become one of the most highly competitive International logistic service provider in the country.

Quality Policy

Well Freight follows stringent quality control and checks to ensure that the best errorless services are provided to the customers at all times.

OUR CERTIFICATIONS

We have a well-established global freight and trade network, offering a single-source solution to manage and transport freight. With an extensive team of experts supervising operations, Well-Freight offers the best fit solutions with its unparalleled access to a vast agent network of air, ocean, rail or road transport facilities. Whats more is that with the large volumes it handles, we are also able to offer to customers extremely competitive freight rates across multiple locations.
