About COMPANY

Transportation touches every aspect of our lives directly or indirectly. Whether, it involves our own movement of goods and perishables consumed by us. It is difficult to envisage our world without transportation. You just cannot do without Transportation.

WELL ROADWAYS, we create and manage a world class Logistics platform that delivers a solution driven logistics experience to every single client. We provide personalized, operationally superior and economically competitive option to the Domestic and International Trade. The trust of our customers in our service drives us to exceed their expectations.

We are confident that with professional, experienced and committed management and personnel, our company will succeed in meeting all the future challenges.

WELL ROADWAYS is a truly multi-modal logistics company with pan India reach and beyond. Our motto of **"Excellence in Motion"** defines our total approach in our reach and customer care. The entire company is geared to perform best in most critical of operations where safety and time bound services are a must.

Vision

WELL ROADWAYS should be leader in its segment, providing exclusive and professional services. Growth of the company should be coupled with growth and prosperity for all people associated with it. The company should have a renowned branding as a trust worthy and reliable organization. The company should be able to handle all aspect of logistics services to become a one-point solution for the customer for all its national and international logistics requirements.

Mission

Our team of professionals will effectively achieve set objectives through fairness, innovation, systems orientation while ensuring transparency with both internal and external customer. To continually create infrastructure & manpower required for providing consistent, safe, value based transportation and supply chain solutions to our Domestic and global customers.

Quality Policy

"We, at **WELL ROADWAYS** are committed to provide professional management to take care of **TOTAL LOGISTICS** needs of our customers and make them satisfied every time".

Values

Our Value are driven by our commitment to excel in our services through

- Effective Quality Management
- Effective and highly responsible employees
- Safety from start to finish and On – time delivery

Road Transportation & Our Services

Infrastructure

Our company has an all India network and infrastructure covering all metro & capital cities of India with own and associates offices. All offices with modern communication facilities and trained manpower and Own & attached fleet containerized and open body trucks, trailers and LCVs.

FTL Service

Provides FTL, Part load and parcel services to a wide variety of industries through out India and neighboring countries. Our clients includes leading brands from the tele-communication, automobile, pharmaceuticals, bulk drugs, FMCG, yarn, cement, plywood and a host of other industries. We offer services in LCV, and truck load in various weight and size combinations to suit the needs of all customers. Parcel services for now are available only on select routes. We also provide specialized close body container vehicles.

Domestic Cargo

Provides express cargo, retail, local distribution and cold chain solution to the clients. Provides express cargo movement through a combination of road, rail and air movement through our own fleet of trucks or by engaging dedicated vehicles from the vendors.

ODC & Projects (Jumbo)

Provides specialized services for over dimensional cargo movements. We also take up turnkey assignments for total project movement. We provide specialized ODC trailers and high capacity cranes for movements. Our clients include clients from various PSUs, Oil exploration industry and power sector.

Third Party Logistics (3PL)

Provides warehousing, third party logistics, and equipment leasing/hire & management solutions. Provides supply chain management solutions, 3PL and inventory management solutions for a host of leading clients of the industry. The solutions are tailor made for the specific need of the clients.
